UNITED HEBREW OF NEW ROCHELLE RANKED AMONG NEWSWEEK'S 'AMERICA'S BEST NURSING HOMES'

Recognition Places United Hebrew Among Top 4% in Nation

New Rochelle, NY (October 2021).... For families searching for excellent skilled nursing care, positive ratings are valuable tools when reviewing options for care. So it is welcome news that United Hebrew of New Rochelle has been ranked by *Newsweek* among the nation's best. Of the nearly 12,000 nursing homes evaluated, only 450 made the magazine's list. That places United Hebrew among the top four percent of nursing homes in the nation, according to the *Best Nursing Homes 2022* report.

The report provides important guidance to families and medical providers searching for a nursing home of the highest quality. The number of Americans age 65 and older is growing. By 2030, this demographic will account for more than 20 percent of U.S. residents, and at least 70 percent of them will require long-term care, according to Statista, which partnered with *Newsweek* to produce the report.

Rita Mabli, president and CEO, United Hebrew of New Rochelle, attributes the recognition to the facility's dedicated staff. "This ranking is a testament to our hard-working staff members, who elevate the standard of care in Westchester and beyond. We are extremely proud of the dedication and compassion they provide to our residents each day."

The rating aims to provide families with a clearer view of the quality of care provided by nursing homes. The rankings are based on performance data from the Centers for Medicare & Medicaid; peer recommendations from medical experts, and the facility's handline of COVID-19. Out of more than 600 nursing homes in New York State, only 55 made *Newsweek's* list.

"Selecting the right nursing home for beloved family members is a major decision," notes Ms. Mabli. We offer families help when they need it the most, and provide care that really makes a difference in our residents' lives. This recognition from *Newsweek* reinforces our reputation for excellence and we hope it helps families make those important care decisions."

The nursing home is part of United Hebrew's campus of care, which includes skilled nursing, assisted living, Alzheimer's and dementia care, independent senior housing, and home care. United Hebrew has received accolades locally, regionally and nationally for its patient-centered care, including a five-star rating from the Centers for Medicare & Medicaid, the American College of Healthcare Administrators (ACHCA) Eli Pick Facility Leadership award, and the Women's Choice Award.

About United Hebrew of New Rochelle
